EDUCATION

University of California, Irvine

Bachelor's of Science in Computer Science

GPA: 3.7 / 4.0

Expected Graduation June 2025

PROJECTS

LIKELION X UCI Club Community Website

Irvine, CA

Front-End

Jan 2023 – April 2023

- Created a Korean community website to establish connections among new Korean students and upper-class Korean students
- Implemented club website by using React and Figma to design layouts and the overall flow of the website
- Collaborated with other Front-End team members to make improvements to our layouts and structure of code organization

AeroDB: Airport Data Solution

Irvine, CA

Python

April 2023 - June 2023

- Implemented SQLite data console by writing SQL queries to retrieve, update, and maintain data that is entered and required to pull out from the database
- Handling Events to make user interface communicates with the engine and simplifying the process of querying and updating

LEADERSHIP EXPERIENCE

LIKELION (LLUS) X UCI

Irvine, CA

Vice-president

June 2023 - Present

- Coordinate membership recruitment and onboarding processes, including application reviews, interviews, and orientations, to attract passionate and dedicated individuals aligned with the club's mission and values
- Organized and facilitated coding workshops, inviting industry professionals and guest speakers to share their expertise and insights, providing club members with valuable learning opportunities and exposure to real-world applications of coding

Executive Board Member

Jan 2023 - May 2023

- Built collaborative relationships with 10+ board members to strategically plan and organize diverse range of coding-centric events, create educational atmosphere to encourage club members to enhance their technical skills and networking skills.
- Led a LeetCode group, guided members through the coding problems, and conducted weekly study sessions to share their logic for solving a problem and how they approached it

Undeclared and Undecided Mentorship Program (UUMP)

Irvine, CA

Mentor

Sept 2022 - June 2023

- Enhanced communication skills to establish strong mentoring relationships and promote a culture of knowledge-sharing
- Conducted regular meetings with mentees to follow up on their academic progress and address concerns to provide personalized guidance

EF Academy Korea Admissions Office

Irvine, CA

Presenter

April 2022

- Engaged with 20+ prospective students and their families, providing valuable insights and answering inquiries about studying overseas during informative presentations
- Inspired and guided others in pursuing international education opportunities by sharing personal experiences and highlighting the benefits of attending EF Academy Korea

SKILLS

Programming: HTML, CSS, Figma, React, Python, SQLite, C++, MySQL, Git
